When creating your ad:

- Digital images should be a minimum resolution of 300 dpi.
- Line art, such as logos, must be at least 600 dpi.
- Large black areas and backgrounds need to be "Rich Black" 40c, 40m, 30y, 100k.
- Black text needs to be 0c, 0m, 0y, 100k.
- Colored text must be at least 10 point and CMYK.
- PDFs must be exported as PDF/X-4. This is best for our print production.
Fonts and images must be embedded. In lieu of a PDF, we accept Adobe InDesign (PC or Mac) files.
- Please send PDFs sized exactly to *M.A.D.'s* size specifications.
- Proofread your ad carefully. With few exceptions, we cannot make changes to PDFs.
- If the ad is composed in Quark XPress, Microsoft Publisher, or Microsoft Word, please send copy and photo files separately.
- Files that can't easily be emailed can be sent via WeTransfer, Dropbox, or FTP. Call or email for details.

If *M.A.D.* produces your ad for you: Send us your text (Microsoft Word or in the body of an email), images (photos or high-resolution [raw] digital images), and a rough sketch of the proposed layout. We will create the ad and send you a proof before publication. There is no additional charge for layout services.

**All display advertisers receive a free standard listing in the
2024 Trade Directory (\$65 value).**

***Payment** – Advertising invoices will be mailed on October 12, 2023.
